BRIEF ABSTRACT OF LETTER

Furnishes further information in the matter of taking over management of the temple of Sri Venkatanarayana Perumal at Melagi Gadwal Taluk

NOTES AND ORDERS.

The Dy Commr reported to Govt that the income from the extensive inam (Rs 500 per annum) and Kandayam lands in the Khata of Sri Venkatanarayana Perumal was being mis-appropriated by the Vahivatdar,

that the temple lands had been alienated and that no accounts had been maintained. He recommended that the lands might be taken over under Govt management and proper arrangements made for the conduct of services in the temple.

3) The Inam Superintendent was thereupon written to to submit extracts of the Inam register pertaining to the Inam lands of the temple. That Officer submitted a copy of the Inam register of the Nambalar Village and reported that the temple had no Inam lands in the villages of Mellige and Kelaskere which was in contravention of the Dy. Commissioner's report on the subject. The Dy Commr who was again addressed on the matter, has furnished particulars to show that the temple possesses Inam lands in the 2 villages.

11) With reference to the above, it is respectfully submitted that the lands are Devadaya inam lands which have been confirmed to the temple on a Jodi. They are now in the enjoyment of Bhista Bhatta and Manjabhatta. Even if the lands are, as recommended by the Dy. Comm:, taken under Govt. management, there is nothing to prevent the present occupiers to continue in possession after paying the fixed income to the temple for the services to be conducted therein. Enjoyment of temple lands without giving proper income, amounts to a sort of alienation. Orders are solicited.

13) Note by the Under Secretary

The temple is entirely surrounded by waste lands — dry, wet and garden. Of these the garden lands are in the possession of one Bhaskar Bhatta who claims to be the Mokhasidar. Though called upon more than once to produce his title deeds he has failed to do so as yet.

The waste lands are in possession of Nana Jo Bhatia who cultivates them and it appears to be an arduous task. Though it was at one time reported by him that he has spent Rs. 1000 on the accounts.

14) The lands are valuable and likely to yield more than Rs. 500 a year.

15) Though there is nothing to show what proportion of the income the archak is entitled to, still as the Temple has been performing its duty it is but enough. The party has failed to produce accounts though often called upon to do so.

16) It is proposed to settle the lands on the Joint Management, lease them out for cultivation and arrange for the conservation of Wood etc on a suitable fee basis. It seems to me that such interference is justifiable.

The Statements of Melige Sreenivasa Bhatta and Bhishta Bhatta given before the Amildar are flagged. The latter has stated that he would produce the documents relating to his Mulagani right- while the former has stated that he has not maintained any accounts of the income & expenditure of the temple separately. Several notices were subsequently issued to the parties but they did not appear & produce the documents &c. The parties have not been questioned about the lands being taken possession of and they have not said anything about it.

Two printed orders Nos 1894-6 dy 18th March 1903 & 4423-5 dy 8th March 1907 are submitted which refer to temple lands being taken under Govt management under similar circumstances.

Sir,

With reference to your docket No. 3613 dated 11th June 1908, enquiring whether the lands shown in the list accompanying this office letter No.401/71 dated 19th March 1908 as belonging to the temple of Sri Venkatramana Davaru at Melige in the Arsikere taluk are Inam, I have the honor to state that all the lands shown in the list except those of Vatimar are Inam, which fact has ~~already~~ been already noted in the list. That these lands except survey Nos.168 127 of Kelakare and Survey No. 94 of Nallahare Inam is borne out by the entries in the final Quit Rent Register and also Muzrai Quit Rent Register-Vide pages 240-1& 246-7 of the Final Quit Rent Register and serial numbers 176, 178 and 180 of the Muzrai Quit Rent Register. Survey Nos. 168 and 136 of Kelakare and Survey No.94 of Nallahalla are also reported to be Inam and the fact of their omission in the Quit Rent Register is explained to be due to the circumstance that these had ~~ori-~~ originally been treated as Khalsa lands and later on confirmed as Inam, in accordance with Government Proceedings No.R. 1973-83 dated 9th January 1902.

Sir,

With reference to your docket No. 2237/Mulg 15-08-4 dated 11th June 1909 regarding the resumption of Inam lands endowed to Sri Venkata Ramana Devaru temple at Hulige in the Sirsi Taluk, I have the honor to state that the Amildar of Sirsi Taluk reports in his No 960 dated 24th April 1910 that all the lands belonging to the temple have been resumed and given over for cultivation. The leases executed by the ryots are filed with the records.

2. The Amildar has submitted a scale of expenditure to be incurred in the temple and states that if the same be adopted, the income derived from the lands of this temple will first be credited to the temple funds in the Treasury and disbursements will be made duly prepared and passed on bills as per scale sanctioned

to be the sole valivattdar of the temple as the said Manja Bhatt is a devotee of the temple and a man of local importance.

3. In those circumstances, I would recommend that the above proposals of the Amildar may kindly be sanctioned and that the vernacular file ending with the Amildar's No. 980 dated 24th April 1910 herewith send may kindly be returned when no longer required.

I have the honor to be.
